meeting (**excluding Saturdays, Sundays and Holidays**)

Committee or Governing Body	Mass Audubon
Meeting Location	Town Hall- Main Hall
Day, Date and Time of Meeting	Thursday March 9 th 7:00 P.M.
Signature of Chairman or Authorized Person	Amber Carr

AGENDA

Please list below the topics the chair reasonably anticipates will be discussed at the meeting.

Mass Audubon is in the process of preparing a habitat restoration plan for our Nahant Thicket Wildlife Sanctuary (between Furbush Road and Wharf Street). We are particularly interested in gathering public input as we develop this plan. Please join us on Thursday March 9th at 7:00 P.M. in the Main Hall at the Nahant Town Hall for an introduction to the property, our process, and an opportunity to share your perspective on the site. During the meeting, we will:

- Introduce the Mass Audubon team
- Review the history and present condition and uses of Nahant Thicket Wildlife Sanctuary
- Discuss the scope of this project
- Present initial thoughts on potential restoration efforts
- Gather local perspectives on the property, questions, context, and initial input on potential restoration ideas

We have reached out to direct abutters and other neighbors as well as town staff and other community members. Please feel free to invite others with an interest in the property.

If you are unable to attend this meeting, we would still welcome your input. We will also be planning a follow-up meeting in May. Please contact Amber Carr at acarr@massaudubon.org or 781-259-2198 with comments or if you have any questions regarding the meeting. We look forward to seeing you there.
