Approved plans must be retained on job and this card kept posted until final inspection has been made. Where a certificate of occupancy is required, such building shall not be occupied until final inspection has been made. Where applicable, separate permits are required for electrical, plumbing and mechanical installations.

Work shall not proceed until the inspectors have approved the various stages of construction. Permit will become null and void if construction work is not started within six months of the date the permit is issued as noted above. Inspections indicated on this card can be arranged for by telephone or by written notification.
