

# NOTICE OF TRASH AND RECYCLING COLLECTION SCHEDULE CHANGE

## Nahant Residents,

Effective the week of July 17, some residents' collection day will change from Friday to Thursday. Please see the Street Listing on the back to determine which day your trash and recycling collection will occur. We appreciate you having your trash and recycling out for collection by 7:00 a.m. on your designated pickup day.

Residents who have a large bulk item for collection are asked to call Waste Management at (800) 972-4545. Large bulk items include things like mattresses and box springs, couches or any large item that requires more than one person to lift. These items will continue to be collected weekly, and your notification to Waste Management will ensure safe and efficient removal.

Thank you for your cooperation. Should you have any questions on trash and recycling collection services, please contact Waste Management at (800) 972-4545.
