Have ideas for improvements?*

### OSRP COMMUNITY SURVEY

The Town of Nahant is updating its Open Space and Recreation Plan (OSRP) and is seeking your input in the **Parks and Open Space Community Survey!**

The OSRP will:

- Guide the Town's actions in maintaining, protecting, and improving its open spaces, parks, and recreational resources by setting goals and priorities for the next seven years, and
- Make the Town eligible for state funds to acquire and improve conservation and recreation land.

Your survey answers will help the Town identify opportunities for significant, long-term preservation and improvements that provide the greatest benefit to people who live, work, and play in Nahant.
