The Bob and Janet Munnelly Memorial Scholarship was established by the St. Vincent de Paul Society in Nahant in memory of its beloved members. Bob was a longtime Nahant resident, distinguished veteran of the U.S. Army, and lifelong educator. He served as a classroom teacher, Northeastern University professor, and Superintendent of Schools in Saugus and Reading. Janet worked tirelessly to help those in need. She worked for the Salem and Nahant Housing Authorities and was a Mentor to a local teen. Both Janet and Bob devoted countless hours to neighbors in Nahant who were in need of assistance.
